Dear Ms. Broomhead:

The National Republican Congressional Committee (FEC ID# C0075820) is in receipt of your Request for Additional Information dated February 21, 2013 regarding our 2012 Pre-General FEC report.

We appreciate the assistance from the Reports Analysis Division regarding the aggregation of coordinated expenditures on behalf of candidates who run in more than one district during the course of an election cycle, and also with respect to coordinated expenditures made in districts with more than one candidate running. We have amended this report to reflect an aggregate of \$ 11,099.22 in coordinated expenditures for Allen West.

In addition, we have added memo text to the amendment as recommended, clarifying that the aggregate coordinated expenditure total for Ricky Gill represents all coordinated expenditures on behalf of candidates for the 9th district of California, and that the aggregate coordinated expenditure total for Jonathan Paton represents all coordinated expenditures on behalf of candidates for the 1st district of Arizona.

Sincerely:

Keith A. Davis, Treasurer
National Republican Congressional Committee
